## *Bobby's Son to Prep at Uncle's School*

LATE-LATE Tip: That New Orleans DA Jim Garrison has evidence of a Jack Ruby medical exam in N'Orleans that showed cancer—nothing in the Warren Report even mentions it . . ). Bobby Kennedy's son Joe this fall goes to Choate School where his uncle President JFK prepped . . . RCA-Victor song star John Gary will be a papa in Aug. . . . Kathryn Grayson's (and Johnny Johnston's) daughter Patti took her mononucleosis into a H'wood Hospital . . . Jane Asher's in H'wood and her Beatle pal Paul McCartney's in London, so she's David Hemmings' L. A. bird this flight . . . Ex-realty millionaire W. Zeckendorf was reminded at Joe Keating's Showboat Inn in Greenwich, Ct., that the floating showboat-cocktail lounge docked just outside was a Zeckendorf
